A Closer Look at the Features:

Heavy Duty Welded Frame
Prevents frustration due to loose bolts & rusty wear points.

Built-in Hose Hanger & Cord Wrap
Easily and safely store your hose & cord.

Heavy Duty Electric Motor
Built strong to handle your roughest demands.

Flat Free Tires
Save time & money by never changing a flat again!

Soap Control
Allows for the precise metering of your expensive soap.

Swivel Wheels
For your safety & effortless mobility!

Pressure Relief Valve
Prevents injury and cost due to an over-pressurized system.

Vented Belt Guard
Protects you, the belt, clutch and pulley assemblies.

Accessible Electrical Controls
Keeps switches right at hand.

Heavy Duty Powdercoat Finish
Keeps your machine protected and looking great.

GFCI Protection
Makes sure your safety comes first.

Optional Clutch Drive
Save money by lengthening the life of your pump.

Optional Float Tank
Ensure consistent water supply to avoid pump damage.

Belt Drive Triplex Pump
Built strong to handle your roughest demands.
